To each of our guests staying with the USS Waller Group:

Thank you for giving us the opportunity to serve you during your time in Dallas! I know that all of us at the Embassy Suites Dallas Market Center are excited to spend this time with you and help to make it the most memorable reunion yet!

I wanted to let you know that while I was preparing for the group's stay in October, I did not correctly reserve the dates for the banquet evening. I believe that we have come up with a great solution that will help to make your time with us even better, but I wanted to tell you up front so that you will know that I am here just to serve you and make your time with family and friends even better.

Originally, the Farewell Banquet had been planned for Saturday evening; however, inadvertently, I reserved the date for Friday evening. This is entirely my mistake; however, I believe that we have worked this to be an even better event for you and the group.

While originally, the plan was to have two full days of touring, followed by a day of relaxation and a banquet, we have now planned a trip that will hopefully be more relaxing and enjoyable. The plan now is to have a day of touring, followed by a day of relaxation and banquet, then followed by a day of touring with a Rodeo to finish off the entire trip!

I am hoping that while the original plan for the group was provided, I am hoping that what we have planned for you now will make your time even more enjoyable because of the fun event on Saturday, and the day of fun and relaxation between your days of touring.

Please do not hesitate to contact me if there is anything that we can do to make your time with us even better, and thank you again for staying with us!
